

## Life Insurance

You can donate:

- A paid-up policy.
- A policy for which premiums are still being paid.
- Designate Villa Rosa as a beneficiary of the policy.

Each option provides significant tax benefits during your lifetime or for your estate.

***There is no minimum commitment to become a Planned Giving Society Member. Your gift of just 1% of your estate can make a major difference.***

Please seek professional advice to ensure your financial goals are considered, your tax situation is reviewed and your gift is tailored to your circumstances.
