

Donating Registered Funds

You can name a charity such as Villa Rosa as the beneficiary of your RRSP, RRIF and/or TSFA. Your estate will receive a tax receipt that can offset taxes owing and the funds are not subject to probate fees if you name a beneficiary other than your estate.

There is no minimum commitment to become a Planned Giving Society Member. Your gift of just 1% of your estate can make a major difference.

Please seek professional advice to ensure your financial goals are considered, your tax situation is reviewed and your gift is tailored to your circumstances.

For more information on making a Planned Giving Society Gift to Villa Rosa, please contact Monica Wood, Director of Development at 204 786-1077 extension 254 or monica@villarosa.mb.ca
